

Bad Habits

Billy Field

Can't help myself, bad habits
 Well I'm running wild, lost control
 And it's a shame to see
 That a boy like me
 Has got so many bad habits

 Well I'm off the rails
 My resistance fails, temptation's got
 A hold on me
 And I can't refuse
 Because I always lose
 Can't help myself
 Bad habits

 Well it just ain't right
 But it's something I can't fight
 I can't stop going out and having fun
 Well I tried to be good
 But I knew I never could
 Cause I've got more bad habits than anyone

 When I get the urge
 I just got to splurge
 I'm a slave to all my desires
 Well I'm in a mess
 Because I can't repress
 All of these
 Bad habits

Repeat song, optionally with instrumental solo
for first verse.

All of these Bad habits
 All of these Bad habits
