Are you ready, are you ready?
Are you ready, are you ready?

Are you ready for the time of your life?
It's time to stand up and fight
It's alright it's alright

Hand in hand we take a caravan to the motherland

One by one we gonna stand up with pride
One that can't be denied
Stand up, stand up

From the highest mountain, valley low
We'll all join together with hearts of gold

Now the children of the world can see
There's a better place for us to be
The place in which we were born
So neglected and torn apart

Every woman every man, join the caravan of love
Stand up, stand up, stand up
Everybody take a stand, join the caravan of love
Stand up, stand up, stand up

I'm your brother
I'm your brother don't you know

She's my sister
She's my sister don't you know

We'll be living in a world of peace
And the day when everyone is free
We'll bring the young and the old
Won't you let your love flow from your heart

Every woman every man, join the caravan of love

Stand up, stand up, stand up
Everybody take a stand, join the caravan of love
Stand up, stand up, stand up

I'm your brother
I'm your brother don't you know

She's my sister
(We're waiting, we're waiting)
She's my sister don't you know
(We're waiting, we're waiting for the caravan)

So are you ready, are you ready?
(He's coming, he's coming)
Are you ready, are you ready?
(He's coming on the caravan)

You'd better get ready (Go for it)
You'd better get ready (Go for it)
You'd better get ready (go for it)
You'd better get ready
(Don't worry 'bout the caravan)

(Keep waiting)
(Keep waiting)
(Keep waiting)
(Keep waiting for the caravan)
