

Comes A Time

Neil Young

F **Am**
 Comes a time when you're driftin'
C **Gm** **Bb6**
 Comes a time when you settle down
F **Am**
 Comes a light feelin's liftin'
C
 Lift that baby
Gm **Bb6**
 right up off the ground.

F **Eb** **Bb**
 Oh, this old world
F
 keeps spinning round
Eb **Bb**
 It's a wonder tall trees
F
 ain't layin' down
Eb **F**
 There comes a time.

F **Am**
 You and I we were captured
C **Gm** **Bb6**
 We took our souls and we flew away
F **Am**
 We were right we were giving
C
 That's how we kept
Gm **Bb6**
 what we gave away.

F **Eb** **Bb**
 Oh, this old world
F
 keeps spinning round
Eb **Bb**
 It's a wonder tall trees
F
 ain't layin' down
Eb **F**
 There comes a time.

Eb **F**
 There comes a time.
