For simplicity I use C9 where the chord is  
 actually Bb6-5 (ie. Bb6 with a flattened 5th).  
 On the lyric "sometime", you can play the riff  
 below.

Bb6 C9  
 A| 1----- (1)  
 E| 1----- --1-(0)  
 C| 2----- -2--(2)  
 G| 0----- 0--  
 Sometime
