

Get Your Love Right

Jon English

| Repeat chorus and fade..

C All my days and my **CM7** gamblin' ways
They're a **Dm** part of me
G You can't change them anyway

C And all my lies and my **CM7** late night eyes
Dm Yes those foolish things
G Broken hearts and golden rings

Dm I don't mean to make it **G** sound so bad
Dm It's just I want to be **G** sure

Remember

C Hold tight, get your love right **CM7**
Dm See yourself in the mornin' **G** light
C Hold tight, get your love right **CM7**
Dm See yourself in the mornin' **G** light

C All my fights and my **CM7** out-of-mind nights
Dm Not so far away
G It seems like only yesterday

C All those times that I **CM7** left you behind
Dm That's the way I am
G Sometimes I just don't give a damn

Dm That don't mean that I don't **G** care for you
Dm What I feel, I think is **G** love

Remember

C Hold tight, get your love right **CM7**
Dm See yourself in the mornin' **G** light
C Hold tight, get your love right **CM7**
Dm See yourself in the mornin' **G** light

Instrumental
C **CM7** **Dm** **G**

Dm Ooh, but that don't mean that I don't **G** care for you
Dm What I feel, I think is **G** love

Dm It's just that sometimes I find that I'm the only one **G**
I'm thinkin' of **C**
