

# My Island Home

## Warumpi Band (Neil Murray)

Six years I've been in the desert  
 And every night I dream of the sea  
 They say home is where you find it  
 Will this place ever satisfy me

For I come from the salt water people  
 We always live by the sea  
 Now I'm out here west of Alice Springs  
 With a wife and the family

### Chorus

and My island home My island home  
 My island home is waiting for me  
 My island home My island home  
 My island home is waiting for me

### Bridge

In the evening the dry wind blows  
 From the hills and across the plain  
 I close my eyes and I am standing  
 In a boat on the sea again  
 And I'm holding that long turtle spear  
 And I feel I'm close now to where it must be  
 My island home is waiting for me

For I come from the salt water people  
 We always live by the sea  
 My island home My island home  
 My island home is waiting for me

### Repeat Bridge

My island home My island home  
 My island home is waiting for me  
 My island home My island home  
 My island home My island home

My island home My island home  
 My island home My island home

My island home My island home  
 My island home My island home  
 My island home
