There are <sup>C</sup> nine million bicycles in Beijing <sup>Em</sup>  
 That's a fact, <sup>Dm</sup>  
 It's a thing we can't deny <sup>F</sup>  
 Like the fact that I will love you till I die. <sup>Dm</sup> <sup>G</sup> <sup>C</sup>

We are <sup>C</sup> twelve billion light years from the edge, <sup>Em</sup>  
 That's a guess, <sup>Dm</sup> <sup>F</sup>  
 No-one can ever say it's true  
 But I know that I will always be with you. <sup>Dm</sup> <sup>G</sup> <sup>C</sup>

I'm warmed by the fire of your love everyday <sup>Fm</sup> <sup>C</sup> <sup>G</sup> <sup>Am</sup>  
 So don't call me a liar, <sup>Fm</sup> <sup>C</sup>  
 Just believe everything that I say <sup>Dm</sup> <sup>F</sup> <sup>G</sup>

There are <sup>C</sup> six BILLION people in the world <sup>Em</sup>  
 More or less <sup>Dm</sup> <sup>F</sup>  
 and it makes me feel quite small  
 But you're the one I love the most of all <sup>Dm</sup> <sup>G</sup> <sup>C</sup>
