One step ahead of you

Stay in mo - tion, keep an open mind

Em Gaug G G-5

Love is a race won by two

Your emo - tion, my solitude

If I stop I could lose my head

So I'm losing you in - stead

Either way I'm confused

You slow me down, what can I do?

There's one particular way I have to choose

Em Gaug G G-5

One step ahead of you

Always someone makes it hard to move

She says, "Boy I want you to stay"

But I save it all for another day

If I stop I could lose my head

But I'm ready for romance

Either way I'm confused

I don't know what I'm supposed to do

I can only stay one step ahead of you

Em Gaug G

Da da da da da, da da da da

da da da da, da da da da

Em Gaug G

Da da da da da, da da da da

da da da da, da da da da

Stop, I confess sometimes

I don't know where I'm going

Part of me stays with you,

I'm slowing down, what can I do

It's hard to stay one step ahead of you

Em Gaug G G-5

One step ahead of you

Time is running out, catching up with you

Em Gaug G G-5

One step ahead of you

When I hold you close can I really lose?

Em Gaug

One step ahead
