

# Still The One

## Johanna and John Hall

**C**  
We've been together since way back when  
Sometimes I never want to see you again  
**F** But I want you to know after all these years  
**F** You're still the one I want whisperin' in my ear

**C** You're still the one I want to talk to in bed  
**Am** Still the one that turns my head  
**F** We're still having fun and you're still the one

**C** I looked at your face every day  
But I never saw it 'til I went away  
**F** When winter came I just wanted to go (wanted to go)  
**F** Deep in the desert, I longed for the snow

**C** You're still the one that makes me laugh  
**Am** Still the one that's my better half  
**F** We're still having fun and you're still the one

**C** You're still the one that makes me strong  
**Am** Still the one I want to take along  
**F** We're still having fun and you're still the one
