Am C F Dm Am C F Dm
 Sometimes I feel I've got to
 Am C F Dm
 Run away, I've got to
 Am C F Dm
 Get away from the pain that you
 Am C F Dm
 drive into the heart of me
 Am C F Dm
 The love we share seems to
 Am C F Dm
 Go nowhere and I've
 Am C F Dm
 Lost my light for I
 Am F
 Toss and turn I can't sleep at night

Chorus

A C
 Once I ran to you (I ran)
 C
 Now I'll run from you

 This tainted love you've given
 Dm
 I give you all a boy could give you
 Take my tears and that's not nearly
 Am C F Dm
 all Oh...tainted love
 Am C F Dm
 Tainted love

Am C F Dm
 Now I know I've got to
 Am C F Dm
 Run away, I've got to
 Am C F Dm

 To make things right you need
 Am C F Dm
 Someone to hold you tight and you'll think
 Am C F Dm
 Love is to pray but I'm
 Am F
 Sorry I don't pray that way
