

The Logical Song

Rick Davies / Roger Hodgson

Am
 When I was young
 It seemed that life was so wonderful
G F Em7
 A miracle oh it was beautiful magical
Am
 And all the birds in the trees
F Em7
 Well they'd be singing so happily
G F D7
 Joyfully oh playfully watching me
Am
 But then they send me away
F Em7
 To teach me how to be sensible
G F D7
 Logical oh responsible practical
Am
 And then they showed me a world
F Em7
 Where I could be so dependable
G F D7
 Clinical intellectual cynical

C Am6
 There are times when all the world's asleep
F Bb
 The questions run too deep for such a simple man
C Am6
 Won't you please please tell me what we've learned
F Bb
 I know it sounds absurd but please tell me who I am
Am
 I say now watch what you say
F Em7
 Or they'll be calling you a radical
G F D7
 Liberal, fanatical, criminal
Am
 Won't you sign up your name
F Em7
 We'd like to feel you're acceptable
G F D7
 Respectable, presentable, a vegetable

(Take it take it take it)
Instrumental x2
Am F Em7 G F D7

C Am6
 At night when all the world's asleep
F Bb
 The questions run so deep for such a simple man
