C6 CM7  
Yes, yeah we're movin' on  
Fadd9  
Looking for direction  
Eb Fadd9 C  
Mmm mm we've covered much ground  
C6 CM7  
Thinking back to innocence  
Fadd9  
I can no longer connect  
Eb Fadd9 C  
I don't have a heart left to throw around

Am Fadd9  
Oh, and time moves on like a train  
Em F G  
That disappears into the night sky  
Am Em Am  
Yeah, I still get a sad feeling inside  
F Dm G  
to see the red tail lights wave goodbye

C6 CM7  
But we'll grow old together  
DH7 F  
We'll grow old together  
C6 CM7  
And this love will never  
DH7 F  
This old love will never die

C6 CM7 Fadd9 Eb Fadd9 C

C6 CM7  
Well money slips into your hands  
Fadd9  
And then slips out like it was sand  
Eb Fadd9 C  
And those shoes that you could never seem to fill  
C6 CM7  
I've chased so much and lost my way  
Fadd9  
Maybe a face for every day  
Eb Fadd9 C  
That so casually slipped me by

Am Fadd9  
Oh, and time moves on like a train  
Em F G  
That disappears into the night sky  
Am Em Am  
Yeah, I still get a sad feeling inside  
F Dm G  
to see the red tail lights wave goodbye

C6 CM7  
But we'll grow old together  
DH7 F  
We'll grow old together  
C6 CM7  
And this love will never  
DH7 F  
This old love will never die

Asus4  
Morning comes  
E7  
Sometimes with a smile

Am G Fadd9  
Sometimes with a frown  
Asus4 E7

Am G Fadd9  
If you're gonna stay a - round

C6 CM7  
So let's grow old together  
DH7 F  
We'll grow old together  
C6 CM7  
And this love will never  
DH7 F  
This old love will never die
