

Throw Your Arms Around Me

Mark Seymour

I will come for you at night time
 I will raise you from your sleep
 I will kiss you in four places
 As I go running along your street
 I will squeeze the life out of you
 You will make me laugh and make me cry
 And we will never forget it
 You will make me call your name
 And I'll shout it to the blue summer sky

And we may never meet again
 So shed your skin and let's get started
 And you will throw your arms around me
 Yes, you will throw your arms around me

I dreamed of you at night time
 And I watched you in your sleep
 I met you in high places
 I touched your head and touched your feet
 So if you disappear out of view
 You know I will never say goodbye
 And though I try to forget it
 You will make me call your name
 And I'll shout it to the blue summer sky

And we may never meet again
 So shed your skin and let's get started
 And you will throw your arms around me
 Yes, you will throw your arms around me
