He came from somewhere back in her long ago
The sentimental fool don't see

Tryin' hard to recreate what had yet to be created
Once in her life she musters a

smile for his nostalgic tale
Never coming near what he wanted to
say only to realize
it never really was

She had a place in his life
He never made her think twice

As he rises to her apology
Anybody else would surely know
He's watching her go

But what a fool believes, he sees
No wise man has the power to reason away
What seems to be
Is always better than nothing
Than nothing at all

Keeps sending him somewhere back in her long ago
Where he can still believe there's a place in her life
Someday, somewhere
She will return

She had a place in his life
He never made her think twice

As he rises to her apology
Anybody else would surely know
He's watching her go

But what a fool believes, he sees

No wise man has the power to reason away
What seems to be
Is always better than nothing
Than nothing at all
