We were talking about the space between us all
 And the people who hide themselves behind a wall
 of illusion
 Never glimpse the truth then it's far too late when
 they pass away

We were talking about the love we all could share
 when we find it
 To try our best to hold it there with our love
 With our love we could save the world if they only
 knew

Try to realise it's all within yourself
 No-one else can make you change
 And to see you're really only very small
 And life flows on within you and without you

C5

We were talking about the love that's gone so cold
 And the people who gain the world and lose their
 soul
 They don't know
 They can't see
 Are you one of them?

When you've seen beyond yourself
 Then you may find peace of mind is waiting there
 And the time will come when you see we're all one
 And life flows on within you and without you
