

You Weren't In Love With Me

Billy Field

Standing on the outside
I don't know where I'm going to
But I do know just one thing
And that is it's over with you

I've been very lonely
I did not think I could go on
I was caught in mem'ries
And dreams I should have won

Blind Freddy knew that
Blind man could see
I was in love with you
But you weren't in love with me

Suppose I'll have to keep it
Keep it inside, I don't know why
Well I know, that won't change it
But baby, it helps if I cry

Blind Freddy knew that
Blind man could see
I was in love with you
But you weren't in love with me

It used to be so perfect (so perfect)
It used to be so perfect (so perfect)
Lovin' you (used to be so perfect lovin' you)
It used to be so perfect, it used to be so perfect
Lovin' you (used to be so perfect)

Standing on the outside
I don't know where I'm going to
But I do know just one thing
And that is it's over with you

Blind Freddy knew that
Blind man could see
I was in love with you

But you weren't in love with me

Blind Freddy knew that
Blind man could see
I was in love with you

But you weren't in love with me
