

You've Got A Friend

Carole King

G Gsus4 G F#m B7

When you're down and troubled
 And you need some loving care
 And nothing, nothing is going right
 Close your eyes and think of me
 And soon I will be there
 To brighten up even your darkest night

You just call out my name
 And you know wherever I am
 I'll come running to see you again
 Winter, spring, summer, or fall
 All you got to do is call
 And I'll be there, yes I will
 You've got a friend -

If the sky above you
 Should turn dark and full of clouds
 And that old north wind should begin to blow
 Keep your head together
 And call my name out loud
 Soon I'll be knocking upon your door

You just call out my name
 And you know wherever I am
 I'll come running to see you again
 Winter, spring, summer, or fall
 All you got to do is call
 And I'll be there, yes I will

Hey now
 Ain't it good to know that you've got a friend when
 People can be so cold
 They'll hurt you and desert you
 Well, they'll take your soul if you let them
 But don't you let them

You just call out my name

And you know wherever I am
 I'll come running to see you again
 Winter, spring, summer, or fall
 All you got to do is call
 And I'll be there, yes I will
 You've got a friend
 You've got a friend
 You've got a friend
